

Rules for New Membership:

1. You must be a member of the Captain's Golf Course
2. You must have an established 9 hole handicap of 27 or below after 10 rounds of golf. The 10 rounds can have been played either at Captain's or another course.
If played at Captain's, each round should be entered into the computer in the club house or through the GHIN system online. 18 Hole scores played at Captain's should be entered as two separate 9 hole scores (front 9 and back 9).
If you have played at another course, please see Jay Packett as these scores can also be converted by the Pro Shop.

Once you have completed your rounds, and have your handicap established, please print the "New Member Form" and attach a handicap label and a check and mail it to us at the address on the form.

If you have any questions, please contact Margaret Litavis, League Vice President at 508-896-1774 or at mlitavis@aol.com
